

**Colorado's Monitoring Universe 2006/2007
(July 1, 2006 – June 30, 2007)**

FACILITY TYPE	CONTACT PERSON	TOTAL NUMBER OF FACILITIES	CLASSIFICATION INFORMATION (Secure or Non-Secure; Residential or Non-Residential; Public or Private; for juveniles only, for adults only, or for both juveniles and adults)	LIST OF FACILITIES	COMMENTS
SECURE PROGRAMS					
Adult Jails	No overall contact person. Number of Sheriff's Departments is dependent on the number of counties in the state.	63	60 Secure: Residential. Public. For both juvenile and adult. 3 Non-secure: They contract with other jails to hold their prisoners.	Attached	Includes substations in outlying areas of counties. Inspect at a rate of 98% per year. All facilities receive a visit within 2 years. Non-secure facilities complete a Certification of Non-Secure Facility Status at least once every three years.
Adult Lockups	Colorado Chiefs of Police although not all PDs join this organization. Locate new PDs by querying the Sheriff's Department who must, by state law, accept all prisoners from within the county boundaries.	190	97 Secure: Residential. Public. For both juvenile and adult. 93 Non-secure: All non-secure facilities have a "Non-Secure Facility Certification" in their facility file.	Attached	Includes substations within malls and airports. Inspect secure facilities at a rate of 98% per year. All facilities receive a visit within 2 years. Non-secure facilities complete a Certification of Non-Secure Facility Status at least once every three years.
Colorado State Patrol	CSP Harold Stevenson 700 Kipling, Denver 80215 Harold.Stevenson@csp.cdps.co.us	38	3 are Secure: Fort Collins, Adams and Frisco 35 are Non-secure: All are public, all are residential; all are for juveniles and adults.	Attached	The CSP Colonel Major issues a memorandum/policy each year stating that juveniles may never be held in a secure area within any substation, and specifically at the three substations classified as being secure. The facilities (38) are monitored at 10% a year.
Court Holding Facilities	Operated by either the Sheriff or Police, query these agencies during on-site visits to determine if there are new facilities.	11	11 Secure: Residential. Public. For both juvenile and adult.	Attached	All staffed by County Sheriffs or Police Departments. All are inspected every other year. Half one year, half the second year.
Juvenile Detention Centers	Owned or operated and all are licensed by the Division of Youth Corrections. Query Regional Directors or Quality Assurance staff annually.	11	11 Secure: Residential. 9 Public, 1 county and 1 Private: Juveniles only.	Attached	Of the 11 facilities, 1 is county owned and operated, 2 are owned by the state and operated by a private contractor. Inspected at a rate of 80% a year.
Juvenile Correctional Facilities	Owned or operated and all are licensed by the Division of Youth Corrections. Query Regional Directors or Quality Assurance staff annually.	14	12 Secure: Residential. Public and Private. Juveniles only. (Lookout, Sol Vista, Ridgeview, Betty Marler, Marvin Foote, Platte Valley, De Nier, Zebulon Pike, Grand Mesa, Mount View (Everest), Spring Creek, San Luis Valley YSC) 2 Non-secure: Residential, Private, Juveniles only (Jefferson Hills Aurora, Jefferson Hills Lakewood)	Attached	State laws prohibit placement of status offenders and non-offenders (per federal definitions) in any juvenile training/correctional facility. The Division of Youth Corrections submits data to DCJ for all the facilities every year on youth admitted to these facilities. Inspected at a rate of 50% a year. State secure facilities respond to DYC Audit Standards, private secure facilities respond to DYC Audit Standards and DHHS Secure Residential Treatment program regulations.
Collocated Facilities	No overall contact person. Learn of any proposed facilities during on-site visits to Sheriffs and PDs.	1	Secure. Residential. Public. Collocated side only for juveniles. Adjoins an adult facility. Annual certification process is part of Colorado's policies and procedures.	Attached	One facility located on the Ute Mountain Ute tribal reservation. Because the tribe receives FGFs, they allow annual inspection and certification.
Adult Prisons	Query the Department of Corrections annually on number of facilities.	29	Secure. Residential. Public or Private. For adults only.	Attached	Per statute only for adults, including youth who are transferred to adult court. One facility is for young people, the Youthful Offender Program. These youth are also transferred to adult court.

NONSECURE PROGRAMS					
Assessment Centers	Query Sheriffs and PDs during on-site visits to determine if new programs have been added.	6	All non-secure. All non-residential. All public. For juveniles only.	Attached	The one secure assessment center (not on the list of 6) is not classified as an assessment center as it is within the jail compound and is classified as an adult jail.
Temporary Holding Facilities	No overall contact person. Learn of any proposed facilities during on-site visits to Sheriffs and PDs.	2	Non-secure. Residential. Public. For juveniles only. Moffat County and Grand County.	Attached	
Sporting Complexes	No overall contact person. Learn of any proposed facilities during on-site visits to Sheriffs and PDs.	6	3 are private, 3 are public. All non-secure	Attached	At this point all are non-secure. A private security company manages three and Denver PD off-duty officers staff three. These facilities are checked at a rate of 33% a year.
STATE Alcohol and Drug Abuse Division (ADAD)	Katie Wells Alcohol and Drug Abuse Division (ADAD) Katie.wells@state.co.us 4055 South Lowell Blvd. Denver, CO 80236 303/866-7501	See next few rows.	See next few rows.	NA	ADAD's residential programs (except Detox) are licensed by the Department of Human Services. Some may be dually licensed by DHHS and ADAD to serve specific populations.
ADAD Emergency Commitment (Detox)	Katie Wells	24	All are residential; all are private; all are for juveniles and adults; none are secure all are non-secure.	Attached	ADAD licensure only. License requires facilities to be non-secure. Time released doors (under 30 seconds) and alarmed doors are non-secure.
Involuntary Commitment	Katie Wells	113	All are residential; all are private; all are for juveniles and adults; none are secure all are non-secure.	Attached	ADAD licensure only. License requires facilities to be non-secure. Time released doors (under 30 seconds) and alarmed doors are non-secure.
Offender Education and DUI programs	Katie Wells	Numerous	All are non-residential.	NA	ADAD licensure only. All are non-residential. Outpatient only.
Services to Child Welfare Clients	Katie Wells	11	All are non-residential.	NA	ADAD licensure only. All are non-residential. Outpatient only.
Treatment Programs Specific to Minors	Katie Wells	32	32 Residential. All are private. All non-secure. May have a time-released door (under 30 sec. or an alarmed door that opens when you push). Only for juveniles.	Attached	Do not monitor. ADAD and Department of Human Services license the facilities. Regulations require that they are non-secure. Also considered non-secure are time released doors (under 30 seconds) or alarmed doors that open when you push. In addition they must meet all local and state Fire Codes.
STATE Mental Health	Larry Marsh and Pam Neu Division of Mental Health 3824 W. Princeton Circle Denver, CO 80236 Larry.marsh@state.co.us Pam.neu@state.co.us 303/866-7416	See list for 27-10 facilities	See 27-10 facilities	NA	See 27-10 facilities
27-10 Facilities	Larry Marsh	12	12 that are certified to treat juveniles. 7 are Non-secure 3 are Secure (Children's Hospital, Mountain Crest and Jefferson Hills – Lakewood) and 2 are Secure state hospitals with 27-10 units: Fort Logan and Pueblo.	Attached	Licensed first by the Department of Health as Hospitals. Licensed second by Dana Andrews at Department of Human Services as Residential Child Care Facilities (RCCF) and Treatment Residential Child Care Facilities (TRCCF's), however, not all 27-10 facilities are TRCCF's. Licensing and certification is an annual process. The Department of Human Services 24-hour monitoring unit, Michael Gallegos, inspects when there is a complaint. Other staff at the Department of Human Services inspect annually for licensing certification. Certification for "27-10" status through the Division of Mental Health. See orange book, 19-403-19-437 for use of seclusion rooms. Division of Mental Health inspects all 27-10 facilities annually.

Foster Homes	County Departments of Social Services	4,289	Non-secure; residential; private; for juveniles only	Unavailable	80 CPA's and county Department of Social Services license these facilities. An example of a CPA is DAYS, Jacob Center, Lost and Found which are for profit human service organizations. Per Foster Home licensing regulations they must be non-secure.
Group Homes	County Departments of Social Services	316 Group Home Care 161 Group Center Care	Non-secure, residential; private, for juveniles only.	Unavailable	80 CPA's and county Department of Social Services license these facilities. An example of a CPA is DAYS, Jacob Center, Lost and Found that are for profit human service organizations. Per Foster Home licensing regulations they must be non-secure.
Residential Child Care Facilities (RCCF)	Dana Andrews	96	Non-secure, residential, private, for juveniles only.		RCCF licenses are issued by Dana Andrews at the Department of Human Services. This is the umbrella license for TRCCFs and PRTCs. There is no additional certification for RCCFs.
Treatment Residential Child Care Facilities (TRCCF)	Dana Andrews	30	Non-secure, residential, private, for juveniles only.	Attached	Per Colorado Department of Human Service licensing rules, TRCCFs may not be secure. They may have a secure time out room if they follow specific licensing rules concerning the use of these rooms. See state licensing rules, Volume 7 and 8 that specify that TRCCFs may not be secure.
RCCF Shelter Care	Dana Andrews	5	Non-secure, residential, private, for juveniles only.	Attached	Per Colorado Department of Human Service licensing rules they may not be secure. They may have a secure time out room if they follow specific licensing rules concerning the use of these rooms. See state licensing rules, Volume 7 and 8 that specify that they may not be secure.
Therapeutic Residential Child Care Facilities	Dana Andrews	67	Non-secure, residential, private, for juveniles only.	Attached	Per Colorado Department of Human Service licensing rules they may not be secure. They may have a secure time out room if they follow specific licensing rules concerning the use of these rooms. See state licensing rules, Volume 7 and 8 that specify that they may not be secure.
Psychiatric Residential Treatment Care Facilities (PRTCF)	Local Mental Health Centers	13	Non-secure, residential, private, for juveniles only.	Attached	PRTCFs are a level higher than TRCCFs and deal with a more difficult juvenile population. Because they serve this higher level, they are essentially a shoe-in for 27-10 certification. If acting as a PRTCF alone (absent 27-10 status) there is no additional certification through the Division of Mental Health. On a local basis, Mental Health Centers have clinical reviews of these facilities to make sure they are providing the services needed.

Residential Treatment Centers (RTC)	NA	0	This classification of facility in Colorado no longer exists. With Medicaid funding changes the facilities had to be re-licensed as other types of facilities – see above.	NA	NA
Secured Residential Treatment Center	Dana Andrew	3	All secure. All for youth committed to NYC on a delinquent offense.	Attached	Betty Marler Facility for Girls (residential for girls committed to the care of NYC only); Ridgeview (committed boys) and De Nier Youth Services Center (committed girls and boys). Monitored once every three years.
STATE Public Health					
Hospitals		Numerous	Psychiatric ward located within regular hospitals and are subject to the same 27-10 rules and federal rules.	Too numerous to attach	Psychiatric ward located within regular hospitals and are subject to the same 27-10 rules and federal rules.
