

2023 CJJ National Conference

May 24-26, 2023
Marriott Marquis
901 Massachusetts Ave NW
Washington, DC 20001

Exhibitor/Sponsor Information

Each year, the Coalition for Juvenile Justice (CJJ) hosts a national conference uniquely focused on improving juvenile justice and delinquency prevention systems, services, practices, and policies. More than 300 juvenile justice practitioners and advocates from across the U.S. and its territories are expected to join together for this unique event. For more information about CJJ, please visit www.juvjustice.org.

CJJ's 2023 Annual Conference will focus on the latest research, developments, and challenges facing our field today. Specifically:

- How can we restructure current practices to ensure young people receive individualized services and supports?
- How can systems collaborate with one another to more holistically address young people's needs?
- How can states and communities serve as leaders in shaping a better juvenile justice system for our most vulnerable youth?
- How can we improve collaborations with young people and families with lived experiences in the systems we work with?
- What role does advocacy play as communities seek to improve services and provide trauma- responsive care for children and youth?

CJJ invites you to consider sponsoring our [2023 Annual Conference](#) on May 24-26 in Washington, DC. Your sponsorship is an easy and affordable way to promote your program, publication, or institution to a targeted professional audience while supporting CJJ's continued efforts towards juvenile justice reform and leadership development. Sponsorship dollars help support a broad range of necessary functions, including materials production, speaker and workshop support, youth engagement, and other general functions.

This year, CJJ also has a limited number of exhibitor spaces available on May 24 and 26. Exhibiting at CJJ's Annual Conference allows your organization an even greater opportunity to reach CJJ's members and partners. The Exhibit Hall is located in a prime location, ideally situated alongside the conference registration areas and outside of the general session and breakout rooms. Each sponsorship or exhibitor level includes a CJJ membership (various restrictions apply, based on the level of support). Please [click here](#) for more information about the benefits provided with CJJ membership. Additional information about sponsorships and exhibiting are below.

CJJ reserves the right to only accept exhibitors or sponsors whose work is in line with our [core principles](#).

[About the Coalition for Juvenile Justice \(CJJ\)](#)

CJJ envisions a nation where fewer children are at risk of delinquency; and if they are at risk or involved with the justice system, they and their families receive every possible opportunity to live safe, healthy and fulfilling lives.

CJJ is a nationwide coalition of State Advisory Groups (SAGs), individuals, organizations, and allies dedicated to preventing children and youth from becoming involved in the courts and upholding the highest standards of care when youth are charged with wrongdoing and enter the justice system.

CJJ members include concerned individuals, practitioners, advocates, and youth who voluntarily serve at the state and national levels. CJJ is governed by an Executive Board of national and regional officers. All of CJJ's formal positions on policy and related matters are developed and approved by a majority of the CJJ Council of State Advisory Groups (SAGs). The Council comprises the Chairs or Chair-designees of SAGs holding membership in CJJ.
